

Stuart & **Andrea Livesey** established the Livanda Kennel over 40 years ago with their first litter sired by the famous CH. Micklee ROC'S RU AGO, producing their first show dog Livanda JUMPING JACK FLASH. He had a super career in the UK and there began a love affair with Pekinese which has lasted a lifetime.

Producing many UK champions in the early years including Livanda Micklee MATAHO & Livanda Micklee GINOLA. And then in 2002 came **Santana**.

Santana had and incredibly successful career in the ring, winning his first CC as a junior dog. He went on to win in total 17 CC's in hugely fierce competition in the days where entries were in the 100's in the male competition. He was and still remains Andreas 'heart dog' and was a very special boy in and out of the show ring. He was top UK Pekingese Sire from 2005-2012 including top Toy sire in 2007 making history as the most successful Pekingese Sire ever.

He made way only for his son Maluda to take his crown and Maluda went on to retain the top uk sire title for the Livanda Kennel for several more years. **CH. Livanda MALUDA** was Crufts BOB winner in 2011 and gained his title as a UK champion on that day. Maluda's career in the ring was short in comparison to Santana as waiting in the wings were his sons 'Faberge' & 'Lukka'.

Faberge had an incredible career both in the UK show ring and also worldwide. He was World Winner 2015 & 2016. His litter brother CH. Livanda LUKKA although only campaigned in the ring for a short time went on to be the producer of the Top Toy all breeds in America 2021 CH. Livanda DEL PORTO 'aka Harry'.

Holding the world title, Faberge made way for Champion Livanda KASHMIR to follow in his footsteps, multi best in show winner and taking the title of World winner 2017, 2018 and Euro Winner 2018.

All in all the Livanda 'boys' have had incredible success worldwide.

Andrea has had an incredible career in the show ring and with arguably some of the most successful Pekingese in the world, Sires that have and still continue to dominate the pedigrees of the most beautiful Pekingese and a hugely respected career as a judge, including the huge honour of judging Pekingese at Crufts 2016 where her best of breed winner went on to take the Toy Group. Finally, Very proudly, Santana sired the Pekingese breed record holder, Cantona who still retains his title many years later.
